Dear Madame:

Re: Wuskwatim (Generating Station) – Appeal to Cabinet

I am writing in response to your email of November 1, 2006 to advise you that the only correspondence we have received from persons associated with the Respondent is a letter from Doug Bedford, counsel to Manitoba Hydro. This letter provided information as to whom correspondence regarding the appeal should be directed. A copy of this letter is enclosed.

We have also received and responded to correspondence from Mr. McIvor, the other appellant in this appeal. Mr. McIvor was asking questions relating to the appeal procedures. You may wish to speak to Mr. McIvor, who I am copying with this letter and its enclosures, if you would like copies of this correspondence.

Yours truly,

Sean Boyd
